Strategies on barriers

A 'people's industry'

- YSO – A connecting point

Inclusivity

- Bridging the gap

Mentorships

- WISTA mentorship programme

Event – bring an alumni

- Connecting the younger generation with the alumni of our industry

A glass jar filled with coins, with a small green plant growing out of it, set against a background of sunlight filtering through trees. The scene is illuminated by warm, golden light, creating a bokeh effect in the background. The jar is placed on a bed of dark soil with some green leaves and twigs scattered around it.
